WISE UP

Luke 12:25

The time we are in is a very difficult and challenging time. In the midst of all these, God give us his word not to panic or worry. However there are things that we must take certain things into consideration as we live our lives so that we will not run into avoidable problems or crisis. Jesus warned that our worry and anxiety cannot add anything to our life rather it will deplete our peace our health and at times our contentment. So what should we do?

1. Learn to live within your means
2. Never compare yourself with anybody or spend like your neighbour or friend
3. Don't put yourself in expenses that you cannot bear.

The time we are in is a time that each person needs to wise up and also a time to reorder our lives and our priorities. May the Lord grant us the wisdom to know what we should do at this time.

WORD FOR THE WEEK

The least of you will become a thousand, the smallest a mighty nation. I am the LORD; in its time I will do this swiftly."

— Isaiah 60:22
