DIVINE PEACE

(Mark 4:39)

Peace is not the absence of trouble, challenges or different forms of difficulties but it is automatically the inner strength that God gives His people in midst of life challenges.

The Church from inception have been going through a lot. That makes it look like she is powerless and helpless. The devil and it's kingdom have been unleashing different degrees of fire and attack on the Church. One of such painful experiences can be found in Acts 12:1-5.

These attacks had never taken any particular format. Note that there will always be a going through. Isaiah 43 : 2-3, but there is an assured victory. Let us therefore put our hearts, faith, strength, etc., to work together at this challenging time.

"The same energy it takes to go back is the same energy it takes to continue" (Apostle Joshua Sulaiman).

The church is already out of this fire and, as such, you are to do the following : I Cor. 1:10

- Continue in the faith you have received.
 - Continue in oneness and love.
 - Continue in prayer.
 - Continue in interceding for one another.
 - Continue to resist the devil's agenda.
 - Continue to love God unconditionally.

Conclusion: The New Covenant Baptist Church is stronger than anything that has happened to her (Romans 16:20).

WORD FOR THE WEEK

And I will give peace unto thy land (The New Covenant Baptist Church Family), and ye shall lie down, and none shall make you afraid, and I will rid evil beasts (the power of death) out of thy land, neither shall the sword (anything whatsoever that can cause you pain) go through your land.

— Leviticus 26:6
