**Requirements and Benefits of Divine Peace**

Text: Isaiah 26:3, Mark 4:39

Divine Peace of God is a must have virtue for any one who desires to enjoy life and be successful in life. Jesus gives a kind of peace that the world cannot give or offer.

However, there are some conditions/ requirements that have to be met to enable us access God's supernatural peace that gives us good health, positive mindset, inner joy, victory over Satan, rest of mind and satisfaction in God.

The good news is that God is ever ready to give us peace if we are willing and obedient.
