PASTOR'S CORNER

THEME: SING A NEW SONG

TEXT: PSALM 149:1-6

Hymn singing is one of the ways to appreciate God for His manifold blessings. Worshipping is an important duty of man. It requires worshipping God in truth and in spirit through music, singing, and dancing.

God has promised to do new things in our lives when we sing new songs to Him. We can activate and provoke greater testimonies for our lives when we sing new songs to the Almighty God.

We are all encouraged to learn new songs this week and beyond and praise God with them. It is my prayers that as we sing new songs to the Lord and praise Him, the Lord will delight in our praises and beautify our lives in Jesus name.
