PASTOR'S CORNER

The world lacks satisfaction and this occurred as a result of uncertainty, falsehood, unbelief and our struggling to become something (without Christ, you are nothing) of the people living in the world. When man is satisfied, there would not be struggling, striving, labouring here and there and pronouncement of hunger and thirst in the world, but the dark situation of this world had blindfolded the spiritual eyes of man to see the divine provisions for sustainable living which God had done since the beginning of the creation. The question now is: when would the hunger and thirst of the world come to an end? The simple answer is that the hunger and thirst of the world will continue because man lacks satisfaction that comes through God. People are hungry and thirsty for many things that lead to death, and they forget to pursue God, the source of Living - Materialism, Positions, Powers, Wealth/Richness and the likes are the desires that people are struggling for to achieve by any means. This ungodly desires and ignorance to divine provisions in Jesus Christ gave the Prince of this world opportunity to rule and ruin lives, but the focus this year is an eye-opener to God's provisions that satisfy our hunger and quench our thirst - Jesus Christ, the Bread of Life.

WORD FOR THE WEEK
