### PASTOR'S CORNER

#### Be of Good Cheer (John 16:33)

Good cheer is a state of mind or mood that promotes happiness or joy. How is it easy to be of good cheer in the world of wars, riots, terrorisms, protests, disappointments, poverty, economic uncertainties, killings, mistrust, tragedies, etc.?

The truth is everyone of us has something to pass through in our Christian journey. it is when (not if) you pass through - Isa. 43:2 "In the world you will have tribulation" (John 16 :33) So a need to be of good cheer as Jesus has overcome the World.

I will be with you means we will be able to face our challenges or problems with dignity and courage. We will find strength to be of good cheer instead of being defeated.

Being of good cheer makes it possible for us to turn all our sunsets to sunrises. With good cheer carrying our cross can be our ladder to happiness. When Jesus comes into our lives, cheer light the way. How powerful and comforting is the saviour's declaration. John 16:33.

To be of good cheer one must forsake sin, have faith in God and be a carrier of God's word.

### WORD FOR THE WEEK

For the Lord your God is the one who goes with you to fight for you against your enemies to give you victory.
