**Breaking Free from Manipulation**

Today, we face a sneaky and powerful enemy: manipulation. It's a tool used to control and dominate our lives. It can come from outside, like toxic relationships, societal pressures, and cultural expectations, or from within, through self-doubt, fear, and negative thoughts.

But we don't worry because we have a powerful Saviour. Through Jesus Christ, we can break free from manipulation. As the Bible says in Galatians 5:1, "Christ set us free, so let's keep standing firm and not go back to being slaves." We are no longer trapped by manipulation, because Christ has set us free.

Let's identify the areas in our lives where we're being manipulated and ask God for guidance to break free. Let's stand strong in our faith, resist the enemy's tricks, and embrace our true identity as God's children, worthy of love, respect, and freedom. We're not victims, but winners in Christ.

**WORD FOR THE WEEK**
