## PASTOR'S CORNER

### Transformed: Getting Closer to God

Spiritual transformation is the renewal of the mind, thought, attitudes to be in conformity with the demands of God. It is when a man plays his part well that the life is transformed. It is metamorphosis in nature. It is the process of regeneration of the heart. Transformation is an inside out process.

Transformation, especially spiritual transformation, does not fall on a man overnight. God will play his part and man also has his part to play. God gives the Holy Spirit to every believer, however growing in the knowledge of God is our responsibility.

The Bible says except a grain of wheat falls to the ground and dies, it is not productive, it remains a seed. Except the life of a man is transformed by his submission and obedience to God, he may keep rolling on the same spot. In order to experience real spiritual transformation, we must:

- Be at peace with God. John 3:3
- Be a student of God's Word. Ps 119:9,11
- Be consistent in our prayer life
- Join others in worship. Heb. 10:24-25
- Be willing to help others as we also are being helped in all areas 2 Tim. 2:2.

What value do you place on your spiritual life and your eternal destiny? Do you really want to live reckless on this side of eternity? The choice is yours.

### WORD FOR THE WEEK

He will also send you rain for the seed you sow in the ground, and the food that comes from the land will be rich and plentiful. In that day your cattle will graze in broad meadows.

— Isaiah 30:23
