PRESIDENTIAL ADDRESS

Praise the Lord! Great is the Lord and He is greatly to be praised. He has done what no man can do for us. He provided for us when we lacked, was available to cheer us in our period of challenges and preserved us during our times of trials, troubles and tribulations. To God alone be all the glory.

I welcome you all to our season of God's compassion for divine recovery and growth. Our God is too faithful to fail and whatever He says He will do for us, He will surely do it. As we know that He is a great guarantor, deliverer and our faithful friend. We will forever sing His praises.

Our theme for this year Focus week is: "Entering into Newness with Praise and Thanksgiving". Our text is Psalm 100:4. "Enter into His gate with thanksgiving and into His courts with praise. Be thankful unto Him and thank His name (NIV).

The Lord assures us of his newness, new heights, hope, status and glory; therefore, He is seeking for those who will praise and thank Him irrespective of their situations, circumstances and problems. Are you downcast, depressed or doubtful? Are your dreams uncertain or unrealized? Express a lifestyle of praise and thanksgiving this year and God who can do far beyond what you can ever think or imagine will miraculously make your dreams achievable without stress in Jesus name. Amen.

I want to encourage us to be part of our meetings and other WMU programmes and also allow our children to be part of Sunbeam, Girls Auxiliary and Lydia groups. I am also appealing to us to pay our dues regularly. I pray that the blessing of the Lord will be our portion in Jesus name. Amen.

Thank you and God bless!

Mrs Faniyi Adenike
WMU President,
TNCBC Ikola

PASTOR'S CORNER

Praise is the rehearsal of our eternal song. By grace we learn to sing, and in glory we continue to sing. What will some of you do when you get to heaven, if you go on grumbling all the way?

Do not hope to get to heaven in that style. But now begin to bless the name of the Lord- Charles Spurgeon.
