PASTOR'S CORNER

PEACE IN THE MIDST OF THE STORM

John 16:33; 14:27

The current economic situation is a cause for concern considering the high cost of living occasional rising prices, inflation, high exchange rate, insecurity. People are worried, agitated, fearful and despondent.

- The question is what do we do at a time like this? You can't be afraid and worried like others are and your mindset must be completely different. We do not deny the facts on ground but our reality can be different.

If we are to be different Then how do we respond? What are we expected to do?

First we need to remind ourselves that we have Jehovah Shalom.

In all of these things, keep looking up to Jesus. The current circumstances shall pass away. Your job, career, business or means of livelihood is a means and not your Source. God is our source... the perfect and on-time Source for everything you could ever need or want.

"Everything comes from God; everything exists by his power; and everything is intended for his glory."
- Romans 11:36.

WORD FOR THE WEEK

The LORD will indeed provide what is good, and our land will yield its increase.

— Psalm 85:12 (Berean Standard Bible)
