PASTOR'S CORNER

Divine Lifting

The king took off his signet ring, which he had reclaimed from Haman, and presented it to Mordecai. And Esther appointed him over Haman's estate (Esther 8:2).

The story of Mordecai is the story of a man who above all odds became a man of authority in Susa.

God divinely intervened through various events, including events that seemingly looked like it will claim his life and the life of his kinsmen - the Jews. God orchestrated events in his favour and he was lifted up from the gate right into the palace.

In the midst of life's throes, God is interested in us and as we focus on him, he will not only help us, he will also lift us up like he did for Mordecai. Like Mordecai, let us be responsible with our lives; trust God and live godly. Do not relent in lending helping hands to the less privileged.
