DISCIPLINED LIFESTYLE IN FASTING AND PRAYER
(EZRA 8:21-23)

Fasting and prayer for children cannot be imposed on them, therefore it should be a practical aptitude, that should be carried out with the child and the guardian.

We see in Joel 2:12-13(NIV)

" Even now", said the lord "return to me with all your heart, with all your heart, with fasting and weeping and mourning. Render your heart and not your garments".

GOD is most definitely not looking for outward appearances, but your inward transformation, and your fasting and prayer are tools for that inward work.

Parents need to understand that not all children can fast at a moment. You need to understand that their bodies are not machines, you have to encourage and not force them, trust this process.
