**PASTOR'S CORNER**

An important concept that relates to our Christian life is purity. Purity is associated with holiness and includes possessing a pure heart, using pure speech and taking pure actions. Our thoughts and actions have a powerful impact on our lives and those around us, making it important for us to do all we can to keep ourselves pure and undefiled from all that is happening around us. God wants us to have a heart that is aligned with His will, a mouth that speaks only respectful and appropriate language, and do only things that tend to godliness.

Words are powerful. We should always strive to use our words for good. Our minds should be free from impure thoughts and we all should be focused on God and on living a life that is following God's will. As Christians, we should understand that having a pure mind is essential to living a holy life. By keeping our minds kept free of sinful thoughts, we have greater peace and contentment, and we safeguard the holiness we received in Christ Jesus.

Purity of action is another thing we should take seriously. Our actions should always align with God's will, avoiding immoral behaviours. When our actions are pure, we will find it easy to live according to God's plan for our lives, which gives us true fulfilment. This fulfilment is part of the righteousness, peace and joy in the Holy Ghost that we became eligible to access when we became born again. May the Lord help us keep our purity.

**WORD FOR THE WEEK**

Then the LORD will create over all of Mount Zion and over those who assemble there a cloud of smoke by day and a glow of flaming fire by night; over all the glory will be a canopy. It will be a shelter and shade from the heat of the day, and a refuge and hiding place from the storm and rain.

— Isaiah 4:5-6
