## PASTOR'S CORNER

### Glorious Transformation: Making a Difference

As we grow in our relationship with God, one of the important things to hold dear is the difference we make in the lives of people, whether young or old, who come our way. Life is not about what we get or what we have, life is more about what we give and the difference we make as people come across us in the traffic lane of life. As we talk about this issue of transformation, one aspect that we need to examine is the impact and the difference we are making.

Mordecai the Jew made a strong impact on Esther, his cousin. Esther was an orphan who was vulnerable. Mordecai adopted her as his own daughter and trained her. It is not surprising that when Esther became the Queen, it was not difficult for Mordecai to approach her for help when the Jews were to be terminated through the wicked plan of Haman.

There is nothing that will be transformed in our lives if all we live for is for us and for ourselves alone. Can you become a Mordecai to that young girl, that young man in your neighborhood, your office, in your extended family, that member who is struggling with one life issue or the other or will you turn your face away from challenges that people around you are facing even when you can help?

The impact that we will make as a church may be tied to the extent that we can stand up for one another. I challenge you today to make a difference in the lives of people around you and the Lord will bless you.

### WORD FOR THE WEEK

From them will come songs of thanksgiving and the sound of rejoicing. I will add to their numbers, and they will not be decreased; I will bring them honor, and they will not be disdained.

— Jeremiah 30:19
