PASTOR'S CORNER

When God doesn't make sense

There are times in life when our faith in God is put to the test, and at such times, doubts about God's knowledge of that situation raise anxiety in us and, at times, leave us confused. We tend to doubt if God really makes sense.

The loss of a job, of a loved one, of failing health, of failed businesses, of a career that is plummeting brings us to this point of asking if God really makes sense. However, let us understand that in the midst of all this, God, who reigns and rules in the affairs of men, is still in control.

His word in Isaiah 43:2a says, "When you pass through the waters, I will be with you...." When our faith is put to the test, let our focus be on the Lord. He is ever faithful and ever-loving. He cares so much for us beyond what we can think or imagine. His word is that "I have loved you with an everlasting love" (Jer. 31:3). May God makes sense to us when we are in the valley and when we are on the mountain.

WORD FOR THE WEEK

The trees of the field will yield their fruit and the ground will yield its crops; the people will be secure in their land. They will know that I am the LORD, when I break the bars of their yoke and rescue them from the hands of those who enslaved them.

— Ezekiel 34:27
