PASTOR'S CORNER

This is what the Lord Almighty says: "I will save my people from the countries of the east and the west."

— Zechariah 8:7

The presence of the Lord is a sure defence . And the Lord's promise to Israel is that he will save his people from the captivity of their enemies. The world is full of evil and wickedness abounds. We are also confronted with security issues – physical and spiritual in life. In the midst of the dangers that we are daily confronted with, we need the protection of the Lord from both seen and unseen evil and wickedness.

Just like the Lord promised the Israelites safety; the Lord is also giving us that sure word of assurance of his protection. Be encouraged and do not be afraid, the Lord is with you.

WORD FOR THE WEEK

The seed will grow well, the vine will yield its fruit, the ground will produce its crops, and the heavens will drop their dew. I will give all these things as an inheritance to the remnant of this people.

— Zechariah 8:12 (NIV)
