## PASTOR'S CORNER

### THE TRINITY

There is this claim/belief that all religions worship the same God. It is important for us to know that true worship always arises from an accurate knowledge of the God we claim to worship. Acceptable worship is only offered to God on God's terms, i.e., by HIS self-revelation. God by nature is a mystery. We cannot know God on our own.

Fortunately for us, God has revealed himself through nature (Romans 1:19-20), through the Bible (Luke 1:1-4, John 5:39-40) and decisively through His Son, Jesus Christ (Heb. 1:1-3).

Heresies, false teachings, doctrinal errors and distortions arise when mortal men want to take ownership of God's knowledge. Your knowledge of God now is a little of Himself He has revealed to you presently.

As we look at the doctrine of the Trinity, we shall look at the following:

- Heresies about the Doctrine of Trinity
- Biblical Foundations of the Doctrine of the Trinity
- The nature of God as manifested in the Trinity

### WORD FOR THE WEEK

That they should seek the Lord, if haply they might feel after Him, and find Him, though He be not far from every one of us:

For in him we live, and move, and have our being; as certain also of your own poets have said, for we are also his offspring.

— Acts 17: 27-28
