PASTORS CORNER

STEPPING INTO HIGHER DIMENSION THROUGH EVANGELISM.

Mathew 28:19-20, Romans 10:14-15

Stepping into a higher dimension through Evangelism involves a shift from routine based witnessing to power driven, Holy Spirit led lifestyle of sharing the Gospel. It requires intentionality and passion to spread the Gospel. A higher dimension is reached when Evangelism moves beyond mere words to practical demonstration of the Spirit and Power to reach out to the lost. Acts 1:8.

Preaching and reaching out to the lost souls with the message of Jesus Christ is an important duty to be carried out by all believers. We must therefore cultivate a life style of spreading the Gospel so that those in darkness will come to the saving knowledge of our Lord Jesus Christ.

The Lord will give us divine enablement to continue to carry out this important assignment of propagating the Gospel in Jesus name, Amen.
