**PASTOR'S CORNER**

**Helping the Helpless.**  
 2 Sam 9:1-13  
 David the king sought out Mephibosheth the son of Jonathan to show him kindness. Mephibosheth was a leper but that did not stop David from helping him. The help was great - from someone who was living with somebody, he became one who ate at the King's table.

God is out looking to help us as we go through life and life's crisis. The starting point of God's help is for us to come to Him and acknowledge our need for God's help. Daily He calls and daily He beckons to us. In your helpless state, will you come to Him? He is waiting.

**WORD FOR THE WEEK**

The LORD is the strength of his people, a fortress of salvation for his anointed one. Save your people and bless your inheritance; be their shepherd and carry them forever.  
 — Psalm 28:8-9
