PASTOR'S CORNER

ACCOUNTABLE STEWARDS (1Cor 4: 1-2, Matt 25: 14-30)

God has deposited numerous blessings in Christians. He has given life, wealth, time career, properties, money, and valuables to people not because they deserve them, but because He wants them to use the resources for the expansion of His kingdom.

In essence, as Christians, we do not own everything we have. We are only custodians, and at the designated time, we will give an account of how we used the resources in our custody. Christian stewardship is a practical demonstration of service that requires accountability.

We must be accountable stewards who hold dear the resources in our custody and must be wise and conscious of the way we use them. The master's work must not be done deceitfully or carelessly, knowing that God is the rewarder of those who diligently seek Him. (Rev. 22:12, Heb. 11:6)

To be an effective Steward, one needs to be loyal, disciplined, obedient, humble, and faithful in our service to the Lord.

When we do this, we will have eternal life, experience abundant life, fruitful and our service will be acceptable before the Lord.

In conclusion, we must be faithful in the little He has given to us, as we will give account of how we have used the resources at the appointed time. Brethren, do you want to receive "well done good and faithful steward, enter into the joy of the Lord" at the end of your stewardship? Make a decision today to live a life of faithful and accountable Steward. Shalom.

WORD FOR THE WEEK

His Lords said to him, well done, good and faithful servant, you were faithful over a few things, I will Make you ruler over many things, enter into the joy of your Lord. - Mathew 25: 21
